The life of a ballet dancer: Activity 1

Read and listen. Choose the correct answers.

In ballet you need to be perfect.

Ivan Vasiliev is a Russian ballet dancer. He is the principal dancer with the American Ballet Theatre.

I live in a flat in St Petersburg with my girlfriend. I usually get up at about nine and then I have a shower. In my job I often stay in hotels. When you have shower in the morning in a hotel you can leave your towel on the floor. I love that!

I always have a good breakfast, and I love eggs. When I am very hungry, I sometimes eat five. I like sausages too.

Classes start at 10.30. I practise all morning without a break. I sometimes have lunch, but not always. In the afternooon, I practise more. Of course, in ballet, you need to be perfect. Nureyev is my favourite dancer. I have a pair of his ballet shoes.`

After work I want to eat. I love meat. My favourite is a big steak. No vegetables. Only steak.

In the evening we sometimes go out. Before we go out my girlfriend looks at my clothes and she usually says: 'No, Ivan. Change!' I'm not interested in clothes, but I love watches. I have seven, including a Montblanc, three Rolexes, and a Maurice Lacroix. Sometimes I don't go to bed until 1.00 or 2.00. It's often difficult to sleep. I have a lot of things in my head.
